

## Consent form

I, the undersigned Kabunda Mukando, declare freely and enlightenedly agree to participate as a subject for the study made within the framework of . . . . .  
.....

The linguist, . . . . ., in charge of the records collection, is committed to protect the integrity of the participant throughout the study. The participant gives permission to the linguist to share the recordings with the community of researchers or speakers of the language for cultural and scientific purposes. The linguist undertakes to not disseminate potentially sensitive contents. The participant may decide at any time to restrict access to the recordings.

The consent to continue the research can be withdrawn at any time without giving any reason and without incurring any liability or consequence. The answers to the questions are optional and the lack of response will have no consequences for the subject.

The participant has the possibility of obtaining additional information concerning this study from the linguist, within the limits of the constraints of the study plan. All informations concerning the participant is kept anonymously and confidentially.

The linguist undertakes to absolutely preserve confidentiality for all informations concerning the participant.

The participant: Kabunda Mukando
